

A Report on College Excursion by the Department of Geography

Date: 2nd June, 2022

Time: 10am

Place: Kalikapur and Sonarpur

A departmental excursion was organized by the Geography department of Milli Al-Ameen College (For Girls). The purpose of this excursion was to explore the flora and fauna of these locales in order to incorporate the findings in the project work of students. Overall the visit proved to be a fruitful one.

A Report on Excursion by the Department of Botany

The Excursion of Botany Department took place on 26th April, 2022. The students along with the faculty members visited the Indian Botanical Garden (Acharya Jagadish Chandra Bose Botanic Garden, Shibpur, Howrah). The students gained comprehensive insights regarding the plant biodiversity as part of their CBCS semester syllabus. They also gained practical skills on plant collection and herbarium making along with getting deep knowledge about the nomenclature and types of plants and trees.

A Report on Excursion

The excursion to the Botanical Garden organized was an enlightening experience. As we explored the garden, we observed the diverse plant species and ecosystems, gaining a deeper understanding of their ecological significance. Our knowledgeable guides provided valuable insights into the conservation efforts and sustainability practices implemented within the garden. We learned about the importance of preserving biodiversity and the role of botanical gardens in environmental education and research. The excursion reinforced our commitment to environmental stewardship and inspired us to take action to protect our natural world.
