

Department of History

Programme Specific Outcomes

Honors Course

1. Study of Indian history along with European history will enrich students' understanding of geopolitics and open avenues in careers like political analyst or journalist.
2. This Course will help students choose their preferred subject of specialization in Masters which will give them better directions for future research and they can carve out a niche in academia.
3. Study of Skill Enhancement Course will provide them a vivid understanding of Indian Culture and Heritage which will, in turn, equip them with skills required to seek work in a museum. This Course also offers ideas about historical tourism and opens new avenues like heritage walks. It will also foster an awareness about preserving the rich heritage of cultures and of respecting plurality.
4. The students will benefit and will be able to face different competitive exams with confidence.
5. After completing this course students will be able to explain the processes and stages of social and cultural evolution. They will also learn about cultural patterns throughout antiquarian periods in history.
6. After completing this course students will be able to critically analyze India's interaction with several waves of foreign influence and the changes brought in its wake.
7. Students will be able to explain major economic, political, social intellectual developments in the Western world.
8. Students will be able to demonstrate knowledge and understanding of the basics of modern political thought and develop a comparative understanding of Indian political thought.
9. Most importantly, students will be able to understand how the choices made in the past in turn lead to the present and pave avenues for the future.
