

DEPARTMENT OF URDU / MILLI AL-AMEEN COLLEGE (For Girls)

UG (HONOURS) (GENERAL) (2019-2023)

(UNDER THE UNIVERSITY OF CALCUTTA)

Programme Outcomes (PO):

The fundamental contributions of this program are as follows:

1. To align students towards the scientific and humanistic study of the language.
2. To familiarize students with basic skills in major areas of application like communication
3. To develop critical thinking while correlating concepts with own experiences.
4. To prepare students capable enough of advancing to the realm of higher studies. It further seeks to make them competent enough to appear for competitive examinations.
5. To make them capable enough of entering the arena of Mass Communication and Journalism.
6. To sensitize students about gender and making them acknowledge and address gender disparity.
7. To develop the personal and professional abilities of these young women.
8. Self-Directed and Life-Long Learning of Urdu curriculum generates curiosity and problem-solving approaches which make them self-sufficient.
9. To create an awareness about the ethical duties towards the society, and the nation at large.
