Annual Report of MAAC Photography Club 2023-2024

MAAC photography club, Milli Al- Ameen College (For Girls), started with the motto of 'finding something interesting in an ordinary place' and is living up to its mission of motivating students to capture moments and creating memories that will be treasured forever. The students of the college have been inspired to engage in creative activities since the inception of the club. The beauty of nature has been captured by the students in the beginning of this club's journey. The club has shown its enthusiasm in capturing the festive spirit during Ramadan and Durga Puja. This not only inculcated a sense of unity and harmony among the students but also made them appreciate spiritual values, beliefs, practices and culture which are different from their own. The club has also encouraged students to capture important events in the campus. The club members successfully covered the Farewell Program of Semester 6 students. They captured beautiful moments and created lifelong memories.

MAAC photography club aims to collaborate with the Heritage Club in near future and engage in heritage photography. In collaboration with IQAC the club endeavours to organise a basic photography workshop and exhibition as well.
