

Report on the online quiz on History of Education organized by the Department of Education

Date: 8th of July 2020

Venue: Google Meet

The Department of Education, Milli Al Ameen College (for girls) in association with IQAC had organized an online quiz on History of Education. The class was divided into two teams- A and B. Around 10 students participated in the event. It took place during the pandemic. Questions were asked and students were keen to interact.

History of Education in India is a curricular topic in the CBCS syllabus and it primarily deals with the evolution of the Education System through the various stages- Vedic, Buddhist, Medieval and Modern.

It emphasizes on various commission reports and committees set up to bring progressive changes in all levels of Education. It also lays importance on contributions of various educators who have made an impact in the Education System through their vision and innovation. Hence, the event was a resourceful one and students benefited from it in the comfort of their homes.
