

## A Report on a Poster making competition organised by the Department of Education

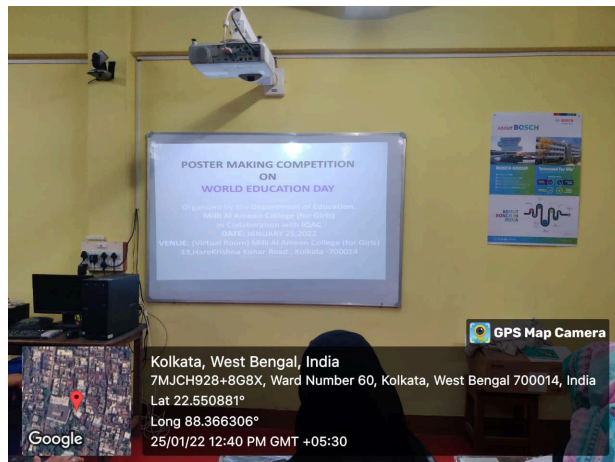

Date: 25th of January 2022

Venue : Virtual Room

Milli Al Ameen College( for girls ) in collaboration with IQAC had organized a Poster Making Competition on World Education Day. The event was organized by the Department of Education and was conducted in the virtual room of the college. The event involved students of different semesters coming up with their creativity in dealing with the actual essence of Education and it's importance in their very being.

Education is the most important process of an individual's life. It is the holistic approach to bring around the all round development of an individual - physical, intellectual,moral, social, emotional and spiritual. On the occasion of World Education Day it was important to discuss about the importance of Education as well it's impact with regard to contemporary issues.

Students participation for this event was satisfactory. .
