A College carnival was organized on 18<sup>th</sup> December 2024 in the college auditorium and outside the auditorium. The arrangements were made by the college students under the supervision of convenor Antalina Kar. The students of the college as well girls and women were allowed to visit the carnival after paying Rs.10 as entry fee. In the auditorium the students of the college had set up number of stalls for the visitors. There were some food stalls selling different types of food items cooked by the students themselves. There were delicious food items for non- vegetarians as well as vegetarians. There were few lifestyle stalls that had put girls and women clothing and accessories on sale. There were stalls for mehendi and nail art as well. There was a separate counter for music in which anyone could dedicate a song to her person of choice by paying Rs.10 for each song. The song could be played or performed by who requested for it. There was also provision for dance performance by anyone willing at the cost of Rs.10 for each request to perform.

Another major attraction of the college carnival was the beautiful selfie corner that was set up outside auditorium where the visitors could take selfie as well as group picture at the cost of Rs. 10 for each picture. All together, the college carnival had a great ambience where everyone could enjoy and had a great time.

The carnival was inaugurated by our respected principal Dr. Sunanda Haldar at 12pm. Her kind words of encouragement really lifted up the spirit of the event. The teachers, non- teaching staff and other visitors graced the event and had a great time. Many students performed and dedicated songs to their dear ones.

The sole purpose of organizing such an event was to motivate the college students to showcase their talents and also to build up their career based on their individual aptitude. The carnival became a great success owing to the spirit of everyone associated and the endeavour of the students and organizers. The Governing Body of college had provided a financial aid of Rs.1500 for the necessary arrangements of carnival. Owing to the collections from entry fee, music corner and selfie corner, and amount of Rs.840 was returned to the Governing Body.

All the members of the Milli family together made this special event hugely successful and a memorable day in everyone's life.
