

Report on NSS Unit 1 Survey Visit to the Adopted Slum by Milli Al-Ameen College (for Girls)

Date: 30 July 2024

Event: Survey Visit to the Adopted Slum

Organized by: NSS Unit 1, Milli Al-Ameen College (for Girls)

Accompanied by: Program Officer Jemima Nasrin and NSS Advisory Committee Member Dr. Arsh-E-Moneer

Today, the NSS Unit 1 of Milli Al-Ameen College (for Girls) conducted a significant survey visit to the adopted slum. The team was led by Program Officer Jemima Nasrin and accompanied by Dr. Arsh-E-Moneer, a member of the NSS Advisory Committee. The visit was also supported by a local representative who assisted the NSS volunteers in their efforts.

This visit marked the first engagement of the NSS Unit with the slum community, aiming to gather crucial data that would guide future activities and initiatives. The NSS volunteers conducted house-to-house surveys, collecting vital information about the residents. The survey focused on gathering details such as the number of family members, their ages, levels of education, and other relevant demographic information.

In addition to demographic data, the survey also addressed important health-related issues. The volunteers specifically inquired about the women's knowledge of menstrual hygiene, a critical aspect of women's health. Furthermore, the residents were asked about the types of health problems they commonly face, providing valuable insights into the community's healthcare needs.

The survey was successfully conducted, with all necessary information meticulously recorded. This data will play a pivotal role in planning and scheduling future activities in the adopted slum, ensuring that the initiatives are tailored to the community's specific needs.

The enthusiasm and dedication of the NSS volunteers were evident throughout the visit. Their eagerness to serve and make a difference in the lives of the slum residents was inspiring, setting a strong foundation for the work ahead.
